Orders and round

Waterloo Command • v1.1 • Set every stress track to 0 and clear activation each round.

FRENCH ORDERS						
0	1	2	3	4	5	6

COALITION ORDERS						
0	1	2	3	4	5	6

ROUND							
1	2	3	4	5	6	7	8

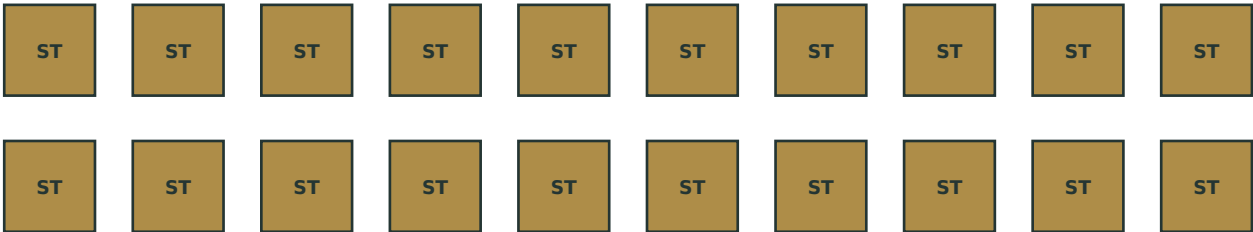

F = French orders • C = coalition orders • R = round

Orders reset each round; unspent orders are lost.

Stress and activation counters

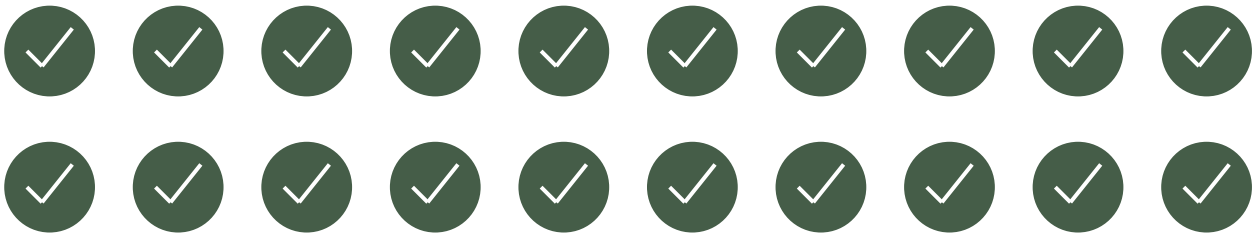

Waterloo Command • v1.1 • Set every stress track to0 and clear activation each round.

20 stress counters

Place on0,1 or2 on the matching unit card. Stress3 removes the unit.

20 activation counters

Mark the ACT circle after acting or supporting; clear at round reset.
